Property owner assistance requested

South Moorhead golf courses have been experiencing regular vandalisms and thefts that are occurring over night. Damaged greens, sitting benches thrown in the water, flags stolen, and water faucets being turned on are among the reports received recently. We are asking that property owners along the golf course please report pedestrian traffic that is not consistent with golfers registered to play. Golf course property can only be accessed by those that have paid green fees, or are members. Any others are subject to trespassing. Other pedestrian traffic, such as walking dogs, should not be occurring on the course. Please contact the police department to report other activities.
