The Moorhead Police Department is proud to show their Christmas spirit through this partnership with the Salvation Army which gives so generously to those in need year round. We are thankful for their services that they are able to provide through the donations that they receive during the annual Kettle collections and are showing our support by volunteering to ring the bell.

Each volunteer will be compliant with our code of ethics and will be doing this off-duty and out of uniform. Feel free to stop by any location and visit with us!
