As a continuing effort to best serve the community, the Moorhead Police Department has expanded their department website of www.moorheadpolice.com to allow for more services and information to the public.

We feel you will find our website informative and user friendly for many subjects. We encourage you to visit our website and use it as a resource to learn more about our department or quickly find the information or services you are in need of. The website will continue to be updated with recent press releases, most wanted criminal information, and community crime statistics.

The most recent improvements on the website are related to the many different aspects of dealing with animals. Whether you are looking for general animal care requirements, ordinances, or fees; you will find them under [Animal Control](#). For convenience with dog or cat licenses, we now also have an on-line application that you can complete instead of coming in.
